Product Certification Obsolescence Notice

Biffi controls mod IMVS

After careful consideration of our portfolio and product offerings, a decision has been made to discontinue the Biffi IMVS CSAc and CSAfm certification:

- **Obsolescence Schedule**

- | | |
|---|------------------------|
| ○ Pricing removed from the FY24 price book | October 1, 2023 |
| ○ Cease quotation by
<i>*All quotations will be valid till September 1st, 2022 only</i> | August 31, 2022 |
| ○ Deadline for last-time-buy | August 31, 2022 |
| ○ Last committed availability of durable replacement components (e.g. piston) | NA |
| ○ Last committed availability of wear-out items (e.g. metal bearings) | NA |
| ○ Availability of maintenance components (e.g. seal kits) | NA |
| ○ Customer service and engineering support | NA |

- **Literature and Technical Information**

All related technical information (brochures, torque, volume, dimensions etc.) are available on the Biffi site.

For further information, please contact your Actuation Technologies Regional Sales Representative or call +39 0523944411. For additional product and sales contact information, click [click here](#).

Thank you for your continuing commitment to our products and we look forward to addressing your future actuator and process control needs.

Sincerely,

Massimiliano Franco
Product Manager Pneumatic and Hydraulic Actuators
